PRICE TWO CENTS

APPLICATION OF GOVERNMENT FOR NEW TRIAL IN \$29,000,000 STANDARD OIL CASE IS DENIED

U. S. CIRCUIT COURT OF APPEAL SAYS NO

HARD FOUGHT BATTLE TO GO TO
SUPREME COURT

HISTORY OF FAMOUS CASE

Decision of Judge Landis Imposing
Enormous Fine Reversed by
Grosscup on Appeal

CHICAGO, Nov. 10.—The United States circuit court, Justices Grosscup, Baker and Seaman sitting, today denied the government's petition for a re-hearing of the \$29,000,000 Standard Oil fine case before that court. It sustained the former ruling remanding the case to Judge Landis, of the United States district court for re-trial.

It is believed Attorney General Bonaparte will take the case before the supreme court in a writ of certiorari.

Repeats Points, Scores Landis.

The decision was unanimous. Judge Grosscup wrote the opinion, and Baker, concurring, added additional reasons for the ruling. The opinion is almost identical with the language of the former ruling. It reiterates the point that the Standard of the offense was wrong, the offense of accepting rebates being a complete transaction of a single shipment, and not based on the quantity sent. Wherefore the decision that every railroad shipment constitutes an offense as ruled by Landis, is held to be wrong. The opinion indirectly refers to the dragging of the Standard Oil of New Jersey into the case, though not named in the indictment. It declares that persons back of the defendant can be reached only by proper processes of law, not through supplemental proceedings in the nature of civil proceedings. The court reiterates its original exhortation of Judge Landis.

The Hot Spot Again.

The specific reply to the government's petition for rehearing was brief. It declares the court's original opinion regarding the rulings of Landis was correct, but denies it misquoted him. It says, though, that some testimony was admitted in the trial and stricken out by instructions, so in saying the testimony was not admitted the circuit court was correct. A roast supposed to be directed at the government's attorneys is incorporated, saying that counsel accustomed to practice in the courts of review are supposed to understand ordinary legal terms and not misapply them.

It also points out Baker's concurring opinion, not dissenting, but states additional reasons why the rehearing was denied. Baker, in the concurring opinion, deals with the interpretation of the statute. He says the trial court erred in rulings on proof of knowledge of violation. He says congress did not make willful violation of equality between shippers and unintentional failure to know the established rates is co-ordinate offenses. He says in considering the guilt of the Standard of New Jersey before passing of the sentence on Indiana Standis, Landis violated the principal laws. He says such consideration is allowable when used to mitigate the sentence, but when used to aggravate an offense it is punishing one person for another's crime.

First Tried in Appellate Court.

This was the second time the United States circuit court of appeals had acted in this case. The case was originally taken to the appellate court by the Standard Oil company after Judge K. W. Landis of the United States district court had fined the company \$29,240,000 following a trial replete with sensations.

A jury in Judge Landis' court had found the Standard Oil company guilty of accepting rebates from the Chicago & Alton railroad. The oil company had been indicted by two special federal grand juries on 6,415 counts, charging violations of the Elkins anti-trust law which prohibits the granting or acceptance of rebates on oil or other products.

The trial began March 4, 1907, and lasted for six weeks. U. S. District Attorney Sims represented the government and Attorneys John S. Miller, Morris Rosenthal, Virgil P. Kline, A. D. Eddy and H. W. Martyn appeared for the Standard company.

Indictments Number 1,463.

The specific indictments upon which the United States authorities decided to make their fight numbered 1,463 and charged the acceptance of rebates aggregating \$223,000 from the Chicago & Alton railroad on ship-

REPUBLICANS LEAD DEMOCRATS BY SIX THOUSAND VOTES

OFFICIAL RETURNS SHOW LEAD
OF 6,186 FOR THAT PARTY

TAFT PLURALITY IS SMALL

WINS COUNTY BY ONLY 228
VOTES

REST OF THE TICKET STRONG

Weimer Is Star Man, but Rawlinson,
Smith, Aiken and Others
Run Well

According to the official count which was completed today, the republican county ticket ran 6,186 votes ahead of the democratic ticket, and while this is under last year's totals, yet the county republicans feel well satisfied with the showing. Summaries show that Taft electors averaged 4,352 votes in this county, while Bryan men succeeded in polling an average of 4,054. This is a marked decrease in the plurality of the republican vote since 1904.

Rawlinson Strong.

C. H. Rawlinson (republican) defeated Robert Gifford (democrat) by 483 votes, while William Weimer (republican) was the star man on the ticket, polling 4,833 votes in the county.

Mohr Ran Well.

John Mohr (democrat), although he lost, made a good run for sheriff. William Duncan, the victorious candidate, had 428 votes to spare. Judge Leonard Kleeber defeated Louis Ommerberg for coroner by a

LA CROSSE CLUB BILLIARD TOURNAMENT

As has been customary for the past three years a billiard tournament will be held at the La Crosse club this winter. This was definitely decided upon at a meeting of the board of directors last night and a committee consisting of Messrs. Will Ott, John C. Burns and Professor Otto Weiland was appointed to have charge of the affair. They will make all necessary arrangements, will make up the classes and select the prizes.

We will be busy for a few days getting the classes in shape," said Mr. Ott today. "but will undoubtedly be ready to start the tournament within a short time. As a prize to the various winners in their respective classes we will put up a fine cue and we have also decided to give a cup to the winner of all matches. This cup must be won three times to entitle anyone to its permanent ownership."

GOMPERS HITS AT TEDDY

DENVER, Nov. 10.—President Gompers took a back handed slap at President Roosevelt for failing to include him in the list of labor leaders as the president's guest at the White House dinner, Nov. 17. Gompers said: "I am honored by the president when he excluded me from the guest list. If the president cares to say that I do not represent the membership of the American Federation of Labor, so be it. This is the first affair of the kind I have not been invited to at the White House."

AUTO KILLS EDITOR

ST. LOUIS, Nov. 10.—Rev. Davis Thompson, editor of the Northwest Christian Advocate of Chicago, died today at St. Luke's hospital from injuries received last night, when run down by an automobile driven by Frank White, chauffeur.

NATIONS SIGN AGREEMENT

PARIS, Nov. 10.—An agreement between France and Germany, in settlement of the Casablanca dispute, was signed by both nations this afternoon.

GREATEST AMERICAN BATTLESHIP LAUNCHES WITH POMP AND CEREMONY IN MASSACHUSETTS TODAY

NORTH DAKOTA IS RIDING THE DEEP

SPLENDID MAN-OF-WAR GIVEN
OFFICIAL CHRISTENING

MISS MARY BENTON DOES IT

Pretty Young Woman of Fargo
Breaks Bottle of Wine on Prow
of Mighty Engine of War

QUINCY, Mass., Nov. 10. — The North Dakota, the greatest American battleship, was launched in the yards of the Forre River Shipbuilding Company before a distinguished gathering today. At noon Miss Mary Benton of Fargo, N. D., broke a bottle of champagne over the nose of the battleship. The christening party included Gov. John Burke, of North Dakota and staff, a delegation of navy officers, representatives from the state of Massachusetts and the city of Quincy. The ship is now 60 percent finished.

Miss Benton is the charming and cultured daughter of Col. and Mrs. John D. Benton. Colonel Benton is one of the prominent pioneers of the state and is at the present time a member of Governor Burke's staff. Miss Benton has been educated in this country and abroad and has traveled considerably. The last few years of her life have been devoted to art. She is very accomplished and has made quite a name for herself in miniature painting. Miss Benton is tall and slender, very graceful and attractive and a leader in the exclusive social forces of Fargo. She was chaperoned at the launching by Mrs. Alice Neilson Page, a well known North Dakota newspaper writer and correspondent.

The new battleship is a sister ship to the Delaware, recently launched, and is the largest and most elaborately equipped unit in the United States navy. It has 20,000 tons displacement and a length over all of 518 feet and 9 inches. It will require 25,000 indicated horse power to push this giant through the water at the required speed. When completed she will carry ten 12-inch guns and 14 5-inch rapid firing guns. In her secondary battery she will have four 3 pound semi-automatic, two 3-inch field guns and two 30-calibre automatic guns. In addition to this she also has two 21-inch submarine torpedo tubes and is equipped with two of the new type military standing abreast. The Curtis turbine engine has been selected to furnish the power, taking less room than reciprocating engines used on other United States ships. It will require 55 officers and 878 men to man the vessel. The total cost to the United States when completed will be about \$7,000,000.

REV. YOUNG WANTS PROBE.

SAN FRANCISCO, Nov. 10.—Rev. Payson Young today made an official application to Bishop Nichols for an investigation of the charges that Young was improperly affectionate to Edna Clark. Young was ordained Episcopal minister at Pittsfield, Ill., in 1904. The next year he became pastor of St. Luke's at Springfield, Ill. A year ago he came west.

COUNTY BOARD IN SESSION TODAY

IMPORTANT BUSINESS POST-
PONED UNTIL THURSDAY

PLAN VISIT TO POOR FARM

Will Go There Wednesday—Many
Important Matters to Come Be-
fore Meeting on November 12

Thursday at 2 p. m. the important business of this session of the county board, that of appointing a county physician, appointing an asylum trustee to succeed Duncan, the appointment of two poor commissioners to succeed Pierce and Schroeder, and the selection of a highway commissioner will be completed, according to the decision of the board at this morning's meeting.

The appointment of a county physician will be watched with interest throughout the county, there being six candidates who have already announced their intention to try for the place. They are Dr. Egan (who occupied the office for the term just finished), and Doctors Lueck, P. A. Wakefield of West Salem, Dr. T. H. Miller and Dr. Wolfe. Although it is rumored that there are several "frame ups" which will be sprung on the board when the election takes place, yet the winning man cannot be picked at present.

It was also decided that a visit will be made by the board to the poor farm. The date for this visit was set for Wednesday, W. A. Bradley argued against the visit asserting that it was a needless expense to the county to visit the various county institutions. Others argued, however, that much work had been done at the farm and the vote when taken showed a majority wished to visit the institution.

An objection was raised by several on a bill for \$45 for a burial in the town of Hamilton. William Dwyer, who is an undertaker, claimed that the cost of a burial in the city is only \$13 and that the claim against the county for \$45 was excessive. It was not paid.

The report of County Treasurer Weimer was read and accepted.

TARIFF REVISION HEARINGS ARE ON

WASHINGTON, D. C., Nov. 10.—The ways and means committee began tariff revision hearings today, considering schedules pertaining to chemicals used chiefly in the manufacture of dyes. George Bower of Philadelphia, Albert Plant of New York and N. B. Arnold, representing the Varnish Makers' association, testified.

ANTI-PASS LAW TEST.

WASHINGTON, D. C., Nov. 10.—Argument was begun today in the United States supreme court in the Express company case, involving the validity of the anti-pass provision of the Hepburn act. Every express company in the country is vitally interested in the issue and is a party to the appeal.

DEMANDS \$100,000; THROWS DYNAMITE

WOMAN IN DARING PLOT
AGAINST ANOTHER

LED TO JAIL BY A RUSE

Divorced Wife of Steel Magnate
Shows Coolness — Crank Is
Captured

DENVER, Nov. 10.—During the morning the "Dynamite Woman" attempted to extract enough morphine to kill a dozen persons from her handbag in an effort to commit suicide. She was frustrated by the chief of police.

DENVER, Col., Nov. 10.—Mrs. Genevieve Chandler Phipps, divorced wife of Laurence C. Phipps, steel magnate, was yesterday afternoon threatened with death by dynamite unless she gave up \$100,000 to a determined woman. By a ruse Mrs. Phipps succeeded in giving the woman into the custody of the police, but not before she had thrown the dynamite from the automobile in which they were seated. The deadly stick did not explode, however.

Woman Hides Identity.

The identity of the woman could not be determined today, although a strong effort was made. She refuses to discuss herself or her case. She is apparently refined and educated, and acts like a person in a hypnotic trance. The police theory is that she is mentally unbalanced on the subject of money, or in a state of hypnosis acting on the suggestion of the person responsible for her condition. E. D. Stout, proprietor of the American Hotel, said the woman registered last Friday under the name of Mrs. H. C. Cones, of Albany, N. Y., and explained she was a tourist. A telegraphic cipher code was found among her effects, but inquiry failed to reveal any messages containing words in cipher sent from Denver. At noon the woman dynamiter told the police she was Mrs. Allen F. Reed, wife of a Denver druggist.

Mrs. Phipps was down town shopping when the incident happened. She had been in one of the big department stores, leaving her chauffeur, one of her children and nurse in the automobile before the door on crowded Sixteenth street. When she came back she was alarmed to find a heavily veiled woman dressed in mourning of the most fashionable cut, standing by the car. As Mrs. Phipps drew near Mrs. Cohen said:

Demand \$100,000.

"I'm starving, I am desperate. I must have money. If you do not do as I tell you, I will send you and your daughter to eternity."

Mrs. Phipps remained outwardly calm and the woman continued: "You must give me \$100,000 at once."

"I haven't that much money with me of course," replied Mrs. Phipps, "but I can get it by going over to the National Trust company on Seventeenth street."

"All right," said Mrs. Cohen, "but don't play any tricks on me, for I've got the stuff to blow us all up."

Then they entered the automobile and were driven to the trust company.

SENATOR EDWARD W. CARMACK SHOT DEAD IN STREET BATTLE

KAISER ATTACKED BITTERLY IN THE REICHSTAG TODAY

THREAT OF REPUBLIC OPENLY
MADE BY LIBERALS

MUST CURTAIL HIS POWER

INFLAMED SPEECHES DEMAND
END OF "GABBLE"

DUTCH ARE WROUGHT UP

Last Fluke of Emperor Results To-
day in Holland Boycott Against
Germany

BERLIN, Nov. 10.—Herr Wasserman, in the reichstag today, speaking for the national liberals, said:

"We must state plainly and publicly to the world that we are not afraid of the 'yellow peril' or other perils, but that the danger from an international policy based on the kaiser's sudden moods is incalculable. Germany's fate must no longer depend on one man's impetuous temperament. His idea of personal absolutism is undermining the foundations of our national security."

Wasserman declared the kaiser's reign has been characterized by a number of unwise and regrettable acts which might have been prevented if the emperor had submitted to control by responsible ministers.

THE KAISER SOARS.

BERLIN, Nov. 10.—The Kaiser, with Count Zeppelin, ascended today in the Zeppelin reconstructed dirigible airship "Zeppelin I." Three hundred thousand people gathered at Lake Constance to witness the flight.

An announcement that the government had purchased the Zeppelin I airship was made public.

The ascent took place at 3 o'clock this afternoon. Zeppelin was pilot. There were 10 persons besides the emperor, the count as passengers. The emperor was calm and waved a salute to those below. Zeppelin demonstrated the maneuvering qualities, turning in all directions and dipping and rising.

Ascension Denied.

Late this afternoon it was denied that the kaiser made the ascension with Zeppelin, and Prince Fuerstenberg declared he had been mistaken for the emperor. He arrived at the time the kaiser was expected, similarly dressed. The denial is believed to be issued to placate the reichstag, who bitterly condemned the kaiser for engaging in such sport when his recent acts were under discussion by that body.

He recited a lengthy list of the emperor's indiscreet utterances and acts alleged to be injurious to Germany.

Wasserman concluded by declaring that the emperor's policy was stimulating the growth of republicanism throughout the empire, and that his last indiscretion has aroused the German nation until its indignation is boiling. He said the personal regime in Germany must cease to be a stronghold of reaction that is worse than that found in Russia and Turkey.

Wasserman demanded that Von Buelow give the reichstag a definite guarantee that the emperor shall remain henceforth more in the background and said that the chancellor should introduce a legislative bill limiting the emperor's personal power.

The whole reichstag violently applauded.

Herr Weimer followed by criticizing the emperor's "personal rule," and Paul Singer, a socialist leader, attacked the emperor similarly.

Dutch to Boycott Germany

BERLIN, Nov. 10.—Dutch traders decided to boycott German traders, owing to the unfriendly attitude of the kaiser as revealed in the London Telegraph two weeks ago.

Emperor Eats Humble Pie

Von Buelow today declared that Emperor William promised that he would exercise greater caution in public utterances in the future. He admitted that it is impossible to guarantee that the emperor will take a smaller part in government affairs.

HE WOUNDS SLAYER BUT DIES HIMSELF

POLITICAL FEUD ENDS IN HIS
ASSASSINATION

ROBIN COOPER HIS SLAYER

SON OF MAN CARMACK ATTACK-
ED IN AN EDITORIAL

A GRAND JURY TOMORROW

Assailants Are Sent to Jail Without
Bail—Evidence of Deliberate
Murder

NASHVILLE, Tenn., Nov. 10. — Edward Ward Carmack, former United States senator from Tennessee, was killed yesterday afternoon in a pistol fight with Col. Duncan B. Cooper, democratic politician, and Robin Cooper, the colonel's son. The fatal clash occurred in the streets and was the culmination of a series of editorials that have appeared in the Tennessean, a daily paper that has been published by Carmack since his retirement from official life. The articles were caustic criticisms of the policies of democratic leaders and in some of them direct references were made to Col. Cooper.

Grand Jury Tomorrow.

A special session of the grand jury is called for tomorrow to hear the case against the Coopers. The elder Cooper will probably be held as an accessory to the murder, the son being charged with the killing. Robin was only slightly injured and will probably be able to appear at the hearing today.

It is understood the men will waive examination and be bound over without bail. Both refuse to make any statement regarding the affair.

Evidence Is Damaging.

Gov. Patterson, a warm friend of Cooper, issued two statements, one saying he had talked with Cooper yesterday and he had no intimation that trouble was imminent. The other said he did all he could to avert a tragedy, intimating he expected it. It is said that witnesses will be produced to show that the Carmack killing was premeditated. It is said a witness will be produced to whom Cooper's daughter telephoned, saying her father had gone out to kill Carmack, asking him to find and disarm him. That the Coopers carried revolvers only for the purpose of killing Carmack is the statement some witnesses are expected to make.

Laid in Wait.

The statement of a new witness supplements the claim of Carmack's friends that the Coopers laid in wait for him. The witness, Carrie A. Folk, said she saw Cooper standing on the corner talking to two women. She said she rounded the corner but heard a shot and ran back.

Mrs. Eastman blames herself for Carmack's death in a measure. Adding to her statement today, she said: "I wish I had been anywhere else for if I had not been there Car-

formia. She will spend several weeks with the Daniels' family there.

Mr. L. J. Liebhart returned to his home in Denver, Col., Monday, after looking after his interests in this part of the country.

Miss Jennie C. Kopp arrived from Cresco to visit with her many friends in this city.

Mrs. P. Walter returned from a visit with her daughter, Mrs. Van Hoosier, at Rock Island.

Mr. and Mrs. Michael Klein departed Tuesday for Chicago.

ALMA, WIS.

Mrs. C. Dyer and sister were St. Paul visitors here yesterday.

Miss A. M. Gantenhein visited at Minneapolis this week.

Mrs. Peter Overbye and children and Miss Meta Leish of Cando, N. D., are visiting friends and relatives here.

Mr. Ed. Geible of Nelson was in Alma yesterday.

Mr. and Mrs. T. Kemper came down from St. Paul the other day. They will visit here and then they will proceed to La Crosse.

VIROQUA, WIS.

Mrs. R. W. Rogerson was called to Fond du Lac Saturday by the sudden death of her father, Mr. Lambert Brost.

Misses Inga Algard and Florence Webber of Coon Valley were guests of friends in the city Saturday.

Miss May McKittrick returned from La Crosse Sunday evening, where she was operated on for appendicitis about 3 months ago.

Mrs. Grant DeWitt returned from Langford, S. D., Saturday, where she has spent a week with her daughter, Miss Bernice DeWitt.

Lute Purdy of Cashton visited his parents, Mr. and Mrs. B. F. Purdy of this city, Sunday.

Miss Sophie Stegner of Westby spent Sunday with Viroqua friends.

Mrs. Chester Minshall entertained Miss Gjerda Olson of Westby Sunday.

Mr. Torger Stenson of Soldiers Grove has accepted a position as salesman in T. T. Sanwick's clothing store.

Miss Amanda Larson of Cashton

did shopping here Monday

Mr. John Hanson drove to Boaz Saturday and spent Sunday with his parents.

Mrs. A. O. Espeseth is entertaining her sister, Mrs. A. Lien of River Falls, Wis.

Miss Inga Larson of Cashton is visiting at the home of Mr. and Mrs. H. P. Larson.

Miss Josie Bentson spent Sunday with her parents near Westby.

Miss Ella Lind is visiting friends and relatives in La Crosse this week.

Mr. Geo. Moon spent the first of the week with his parents near Cashton.

Miss Dumpke has returned to her home at Genoa after a week's visit with Viroqua relatives.

Mr. Edward Davidson and Mr. Rudolph Lier of Soldiers Grove were guests of Mr. and Mrs. H. H. Davidson in this city Sunday.

Rev. M. Gulbranson of Westby held communion services in the United Lutheran church Sunday afternoon.

PILES CURED IN 6 TO 14 DAYS

HAYRACK PARTY

IS A SURPRISE

Mr. and Mrs. Albert Hauser were given a very pleasant surprise last evening in the form of a hay-rack party. The party rode until 11 o'clock and then repaired to the home of Mr. and Mrs. Hauser where games were indulged in until a late hour. Refreshments were served at 12 o'clock after which the guests departed. The guests were Mr. and Mrs. Albert Hauser, Mr. and Mrs. Ferdinand Hauser, Emil Hauser, Julia Hauser, Elizabeth Hauser, Christine Jaeger, Antoinette Jaeger, Walter Jaeger, Hattie Doering, Tillie Zeller, Emma Moser and Henry Freehoff.

Few men are ruined by great offenses, but most men are sufferers from the effects of petty folly.

The only way to cut down the expense of being engaged is to get married.

Sports of all Sorts

HUGHES' ELECTION WILL STOP RACING

LOSS OF SPORT WILL MEAN MILLIONS OF DOLLARS

WORK OF ANTI-GAMBLING LAW

Man on New York Racing Will Injure Game Throughout the Entire Country

NEW YORK, Nov. 10.—The re-election of Gov. Hughes will prove a death blow to racing in New York state in the opinion of the majority of turfmen and there is every likelihood that the other eastern states will follow the example of New York and put a ban on race track betting.

The passage of the Agnew-Hart anti-race track gambling law on June 11 was followed soon after by a similar bill in Louisiana. Kentucky just escaped the law by a small margin. In Maryland and California racing has the sanction of the citizens, but it is only a question of time, members of the legislature of each state say, before racing will be abolished in both places.

Without racing in New York the sport throughout the country will die. Nearly 400,000 persons and \$100,000,000 of property will be affected. The interests injured when the race tracks close their gates are as follows:

Race track property, including trotting courses and state fair tracks, valued because of their earning capacity at \$80,000,000.

Present value, \$30,000,000.

Nine race tracks controlled by the Jockey club (Brighton Beach, Sheephead Bay, Gravesend, Jamaica, Aqueduct, Empire City, Bement Park, Saratoga and Buffalo) were worth to their stockholders \$27,000,000.

Present value, \$5,000,000.

Number of persons engaged in racing directly and indirectly in this state, 200,000.

Number of men employed at race tracks (Pinkerton police, stable hands, jockeys, trainers, restaurant help, clerks, etc.), 10,000.

Railroad employees affected by abandonment of special trains to the races, 1,500.

HEXAMETHYLENETETRAMINE

The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities, and avoid a serious malady. O. T. Erhart.

CLABBE AND GARDNER ARE MATCHED AGAIN

MILWAUKEE, Nov. 10.—Jimmy Clabbe, Milwaukee's most promising welterweight, and Jimmy Gardner, the Lowell, Mass., boy who was given a decision over Clabbe in a fifteen round argument in New Orleans, Saturday night, have practically been rematched to appear before the same club on Thanksgiving day. The outcome of the fight was a big disappointment to Clabbe and his manager, as he claims to have outpointed the easterner all the way.

A local sporting man, who witnessed the fight, returned yesterday with a story that arder would not have lasted three rounds more as Clabbe had him on the run and would have won by a knockout had the route been a little longer.

The Thanksgiving day battle will be of fifteen rounds' duration, the fighters to weigh 138 pounds at 3 o'clock. Clabbe gained a lot of pointers in Saturday's battle and ought to turn the trick on Gardner the next time they meet. Jack Dougherty will probably figure in the same show.

WHOLESALE CHANGES MADE ON YALE TEAM

NEW HAVEN, Conn., Nov. 10.—The greatest shift which has ever been made in a Yale football team at this time of the season came yesterday, when seven of the eleven men were moved and four retired. The greatest change of all was the shifting of Coy, regular fullback, to the end position played by his brother, Sherman Coy, in the fall of 1900.

A. E. Brides, who has been playing right halfback, was put in at left tackle. Hains, who played halfback in the Brown game, has been given the regular position of left tackle, and Lillie put in his place; Ford Johnson replaced Murphy at quarterback, and Daly took Brides' old position. Philbin stayed at left halfback and Field took Coy's place; three linemen retained their positions, the guards, Andrus and Goebel, and the center, Biddle.

These changes were decided upon by a council of coaches. The team as it now stands will line up against Princeton, with perhaps the possible exception of Field or Philbin, one of whom will be replaced by Wheaton.

REGULARS REST AFTER VICTORY

BARRY ALLOWS TEAM TO TAKE EARNED LAYOFF

SCRUBS WORK ON DEFENSE

Coaches Will Work on the Blocking of Forward Pass in Order to Frustrate Chicago

MADISON, Wis., Nov. 10.—The varsity was given a rest yesterday, Coach Barry telling the men that no work was expected of them. A few of them were out to the field to watch the scrubs and freshmen put through their paces, but the majority remained in their rooms. Preparation for the game with Chicago a week from Saturday will begin today, with light work for the first two days, to be followed by a week's hard work.

Coach Barry worked almost entirely with the forward pass showing the second team backs how to block off the ends and the ends had a merry time trying to get the ball with Whittaker and Noyes doing the blocking. It is certain that Coach Barry will have his men thoroughly trained in the art of passing and blocking before they go in against the Maroons.

The football field will be covered with hay tomorrow and will be kept covered until the game. In the meantime the varsity will use the grid-iron used by the freshmen up to date. The field is in poor condition at the present time, hardly a blade of grass being evident, and Dr. Hutchins will use every means to get it in shape for the big game.

Dr. Hutchins said that he expected the stands and bleachers would be taxed to their utmost a week from Saturday. There is not accommodation for over 8,000 people in the grandstand and bleachers, but if the seat warrants it, new bleachers will all probably be erected. The seat sale will be opened on Monday, general admission being \$1.00 and reserved seats \$2.00.

CHICAGO CUBS MAY TRAIN IN CUBA

CHICAGO, Nov. 10.—There is a chance that the world's twice champion Cubs will train next spring in Cuba.

President Charles Webb Murphy left for the island last night, intending to spend a much needed vacation there. It is expected he will be gone several weeks, returning only in time to attend the annual meeting of the National league.

Mr. Murphy is said to be much in favor of dropping the time honored custom of sending the team on junkets through the southern cities to fit them for the early spring season. He is said to have figured it out that the men will be better satisfied and return in much finer shape if the trip is made enjoyable and less of a grind, into which southern trips usually develop. Hotel accommodations are weak and the men are little benefited by the jaunt.

KONETCHY EIGHTH IN FIELDING AVERAGES

Eddie Konetchy stands eighth in the fielding average of National League first basemen according to the official averages given out by the officers of the league. In reality Konetchy was fifth as there were three of the first eight of the initial sackers that participated in less than 50 games and therefore can hardly be placed with those who played in as many as 150 games.

Don't Worry About Piles

Pyramid Pile Cure Will Quickly Remove All the Pain, Suffering and Discomfort.

Trial Package By Mail, Free.

Many people suffer the torture of piles because they have little faith in an ultimate relief or cure.

This condition is part of the terrible malady called piles. Such an affliction drags the nerves of men and women down to the lowest depths and gives to mankind a feeling of despair.

Don't permit yourself to become a victim of this melancholy.

Pyramid Pile Cure is sold everywhere, by all druggists. It does relieve piles and does this work quickly, painlessly and without apparent effort. We have thousands of testimonials proving its merits.

Go to your druggist today and buy a package, or if you feel any timidity or modesty about the matter send us fifty cents, the price of Pyramid Pile Cure, and we will send you a package by mail in plain wrapper.

One or two applications will prove your case not hopeless, and to give this proof to you send us your name and address and we will send you a trial package by mail in plain wrapper free. Address Pyramid Drug Co., 163 Pyramid Bldg., Marshall, Mich.

SCOTCH WOOLEN MILLS CO'S EDITORIAL

Well, the election is over.

Here's hoping you were to the good with as many bets as we were.

Anyhow, let's settle down to business because there is prosperity in store for all of us, even if some of the up country precincts haven't been heard from.

If we are going to be prosperous let us look the part. And keep in mind that we can be properous and economical at the same time.

Now, that is where we get in our work.

If you are going to look prosperous the Scotch Woolen Mills Store is the place for the clothes. And if you are going to be economical the same place qualifies.

You can look prosperous at these prices: For \$15 you get a suit or an overcoat made to order that is the equal in every respect of what any other good tailor would soak you \$25 for. For \$20 and \$22.50 you get a suit or overcoat made to order from materials that are the best the big Eastern and European mills produce.

You can pay twice the price and not get as good at most of the tailor shops in town.

And, remember, no hand-me-down however "nice" it may look to the uninitiated, can begin to compare with the clothes we make to order—for YOU and YOU only.

And our clothes cost you no more than these "guess-fits."

Yours truly,

Scotch Woolen Mills Co

On a Winter's Night

When the snow is on the roof and the frost is on the pane, and the parlor fire burns brightly in the red-glow of the hearth—THEN, if a case of

Gund's Peerless Beer

has been provided beforehand, it becomes a source of genuine satisfaction—a creator of pleasurable social emotions.

Every brilliant bottle of this sparkling malt and hop brew (famous for over 50 years) contains the vital energy of golden barley—the concentrated liquid essence, as it were, of summer's richest harvest fields. It gently stimulates the digestive functions, cheers the mind, and gives life and strength to every tissue of the body—a beer of the utmost charm—containing about 3½% alcohol.

Brewed by the Gund Natural Process (an exclusive process) and sold and delivered everywhere. Telephone for a trial case.

JOHN GUND BREWING CO., La Crosse, Wis.

S.S.S. DRIVES OUT RHEUMATISM

Rheumatism is in reality an internal inflammation—a diseased condition of the blood cells which supply the nourishment and strength necessary to sustain our bodies. Uric acid, an irritating, inflammatory accumulation, gets into the circulation because of physical irregularities, and then instead of nourishing and invigorating the body, the blood irritates and inflames the different nerves, tissues, muscles and joints, because of its impure, acrid condition. The pains and aches and other disagreeable and dangerous symptoms of Rheumatism can never be permanently cured until every particle of the cause is driven from the blood. S. S. S. does this because it is a perfect blood purifier. It goes down to the very bottom of the trouble, purifies and cleanses the circulation, invigorates the blood, and completely drives Rheumatism from the system. Plasters, liniments, soothing lotions, etc., may be used for the temporary relief and comfort they bring, but a cure cannot be effected until S. S. S. has removed the cause. It frees the blood of every impurity and makes it a rich, health sustaining fluid, to bring permanent relief and comfort to those who suffer with Rheumatism. Book on Rheumatism and any medical advice free to all who write.

MEAN AND PLAIN.

The Pacific Times, one of the best of the progressive republican papers of this state, vigorously takes the Milwaukee Free Press to task for a gratuitous screed aimed at William Jennings Bryan. It says:

"Fair play is one of the dominant traits of American character. The man who makes a fair fight and loses will always have the sympathy of his fellowmen, and if he has fought courageously and manly and determinedly, their admiration as well. Such a man is William Jennings Bryan, and today there are few Americans who do not feel sorry for the great Nebraskan and in whose hearts there is not admiration and esteem.

"It remained for that servile sheet, that fawning creature of a millionaire's ambition, the Milwaukee Free Press, to jump on a man when he is down. In its Thursday issue it vents its malicious spleen on the defeated Bryan, opening its article with the statement, 'Little sympathy need be felt for Mr. Bryan.'

"After months of fawning, lick-spittle service to the inordinate ambitions of a man tottering to his grave, whose only element of strength is a fat pocketbook, and who, intellectually and morally, is not fit to tie the shoes of W. J. Bryan, it is an exhibition of conceited effrontery for The Free Press to presume to criticize any man no matter how humble.

"The American people have refused to elevate Mr. Bryan to the presidency, but in doing so they have not forgotten and would not believe his splendid abilities, his high Christian character and his achievements as an educator and a publicist. They may distrust his fitness for the presidency, but they will not forget to render him full credit and honor for his clean and upright life, for his high membership in the advocacy of governmental reforms.

"Yet we find The Free Press saying: 'These and more are the blots that now attach to the scutcheon of Mr. Bryan which need never have defiled it had not vaunting ambition

SPOTLIGHTS

"PAID IN FULL."

Success is the hardest earned return in the world and particularly in the theatrical calling, but once earned it is lasting and this fact is strongly emphasized in the triumph of "Paid in Full," a new play of contemporary life in America by Eugene Walter, which Wagners and Kemper presented at the Astor theatre, New York, and which is now in its second year in that city. A specially organized cast and a superior production will be seen here at the La Crosse theatre on Thursday, Nov. 19, and the presentation, it is promised, will be as perfect in every detail as that in New York. "Paid in Full" was nothing short of a triumph in New York and Chicago, it having a run of six months in the latter city, where every critic acclaimed it the greatest play in years and welcomed Mr. Walter into the all too small ranks of American playwrights. For many seasons the unquestioned merit of Wagners and Kemper's productions has won them great consideration and in this instance unusual consideration has been given the matter of choosing the cast and making the production, which is perfect in every detail. Already there has been a large demand for seats.

Schubert's play, "Girls," plays here tomorrow evening. The St. Louis Times of October 5 had the following to say of the production during its second week's run there: "Probably no playwright has a better conception of the characteristics of women than Clyde Fitch. At any rate one would imagine that he has a pretty good idea of what women are in his comedy, 'Girls,' which entered on its second week's run at the Garrick theater Sunday night. 'There are five women characters in 'Girls.' Fitch has very one of them pictured as we see these people in real life. Of course a whole lot depends on the people who portray the characters, but Fitch has laid the foundation, and that's more than half.

"And when it comes to playing the parts it would appear that no better company could have been chosen. Bessie Toner as Pamela Gordon, secretary and stenographer and chief man-hater, pleases the audience from the very start. And Ethel Grey Terry, as the care-free, flirtatious girl, is also good. Suzette Jackson, as Kate West, the third member of the sworn anti-man league, is a capable young actress.

"But one flaw can be discovered in the Lucille Purcell of Caroline Locke. Her part is that of the giddy old maid. But traces of youth can be seen under her 'makeup.' She is too young and pretty for an old maid.

"H. S. Northrup makes a pleasing Edgar Hoit, the young lawyer, who converts 'Pam.' The other members of the company are well cast.

"Sunday's audience at Manager Fishell's playhouse was a capacity one. Every seat was taken. It promises to be that way the remainder of the week."

At the Bijou.

Diversity is the essence of the new bill at the Bijou this week and earns the distinction of being different from other bills presented hitherto this season at the popular little theatre. The program includes aerial gymnastics, musical comedy, monologues and a laughable sketch.

Mille La Carroll, the high class aerial artist, opened the bill with the best lady gymnastic work ever seen at the Bijou. She has a fine apparatus arranged in a combination of aerial ladder, Roman rings, Spanish web and single trapeze, which owing to stage limitations is too low to give the artist an opportunity to display what she really can do. For proper effect the trappings should be at least 20 feet high. Mille La Carroll displays a fine muscular development and is probably the only woman doing a slow pull-up and back lay-out on the Roman rings today. Her single-trap work was exceptionally snappy and clever. She could not use the web. The audience was not slow in appreciating her work, and she scored heavily.

Mr. Patrick's song this week is "Morning Cy," made famous here some time ago by the Lincoln Quartette.

Tippie & Kliment put over a very good musical comedy act of the minstrel style. They play on a variety of instruments, including violin, cello, piano, cornet, trombone and organ, the latter instrument having the novel feature of being developed from an ordinary chair. Their gags were offered in such a way as to make them the recipients of many laughs. They were encored several times and made a decided hit.

There is one good thing about Giles Harrington, the purveyor of polite pleasantries, that to the "regular" is noticeable immediately; that does not do his act as though his audience were composed of a crowd of simpletons because they don't laugh their heads off at his stories. He tells them in an easy, quiet style, allowing the house to decide the merit. His stories are good and are entered twined with several good songs and parodies. Giles gives satisfying light entertainment, works in good style and has a likeable personality. The Polite Pleasantry purveyed an entirely enjoyable ten minutes.

The Carson-Talcott company offer

At Auditorium Hotel, Chicago, Ill., leave it.

Mr. L. L. Scherer will be there to receive it.

If he is not there, I shall ever regret it.

For he is my fellow and don't you forget it.

"SUSIE ANDREWS."

"Hold for 10 days."

The paper adds that Mr. Scherer has not yet arrived, but that when he does he is expected to lose his temper.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything, but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifteen-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

ACCIDENTS AT RAILROAD CROSSINGS.—A wagon belonging to plaintiff's decedent was caught between the rail and the planking of a diagonal crossing, and a car ran into it causing decedent's death. The supreme court of Michigan in Woodworth vs. Detroit United Ry., 116 Northwestern Reporter, 549, in allowing plaintiff to prove by one of defendant's employees, that at least a dozen rigs had met with accidents at this crossing in the same way in the preceding two years, held, overruling Gregory vs. Detroit United Ry., 101 Northwestern Reporter, 546, that the evidence was admissible even though defendant admitted knowledge of the condition of the crossing for six months prior to the accident in question. The court states that evidence of former accidents was admissible to show the condition of the street and whether its condition was negligence.

IMPORTANT COURT DECISIONS

ACCIDENTS AT RAILROAD CROSSINGS.—A wagon belonging to plaintiff's decedent was caught between the rail and the planking of a diagonal crossing, and a car ran into it causing decedent's death. The supreme court of Michigan in Woodworth vs. Detroit United Ry., 116 Northwestern Reporter, 549, in allowing plaintiff to prove by one of defendant's employees, that at least a dozen rigs had met with accidents at this crossing in the same way in the preceding two years, held, overruling Gregory vs. Detroit United Ry., 101 Northwestern Reporter, 546, that the evidence was admissible even though defendant admitted knowledge of the condition of the crossing for six months prior to the accident in question. The court states that evidence of former accidents was admissible to show the condition of the street and whether its condition was negligence.

THE COMPLETE NEWS OF THE NORTH SIDE TODAY

How Thin People Can Get Fat, Free

Startling Effect of New Discovery Which Puts Flesh on Thin People, Increases Weight and Perfects The Figure.

Prove It By Sending Coupon Below for a 50c Package, Free.

A remarkable, scientific treatment has been found which increases the weight of scrawny, thin people, puts flesh on those who have been thin for years, whether from disease or from natural tendency; on those who by heavy eating, dieting or other methods, have in vain tried to get fat; on those who feel well but can't get fat, and on those who don't feel well and stay thin. The new treatment, called

Protone, the Remarkable Tissue Builder, Builds Up Cases Like This In Remarkably Quick Time.

Protone, is a powerful inducer of nutrition, increases cell-growth, makes perfect the assimilation of food, increases the number of red blood-corpuscles, and as a necessary result builds up muscle and solid, healthy flesh, and rounds out the figure.

For women who can never appear stylish with anything they wear because of their thinness, this remarkable discovery solves the problem. An addition even of 10 or 20 pounds of flesh, together with ruddy cheeks, works wonders in personal appearance. As a beauty maker for the figure, it probably cannot be surpassed. It will cost you nothing to prove the remarkable effects of this treatment. No dieting or eating of particular kinds of food are necessary. The treatment is absolutely noninjurious to the most delicate system. The Protone Company, 724 Protone Bldg., Detroit, Mich., will send to anyone who sends name and address, a free 50c package of Protone (with full instructions) to prove that it does the work. They will also send you their book on "Why You Are Thin," free of charge, giving facts which will probably astonish you. Send coupon below today with your name and address.

FREE PROTONE COUPON
The Protone Company, 724 Protone Bldg., Detroit, Mich.
I want to put more flesh on so please send me a free 50c package of your remarkable scientific discovery, Protone, all charges prepaid, together with your free book telling me why I am thin. As an evidence of good faith I enclose ten cents to help cover postage and packing.

SOLDIERS' BODIES GO THRU LA CROSSE

REMAINS OF CUSTER'S MEN ON WAY EAST

WILL BE BURIED THERE

Those Who Made "Last Stand" With Custer Will Be Buried in National Cemetery at Gettysburg

A queer funeral train passed through Grand Crossing this morning bound for the National cemetery at Gettysburg.

The train contained the remains of 74 soldiers who were killed in the Custer battle. They were buried at that place and recently the remains were exhumed and are now on the way to the National cemetery at Gettysburg, where another burial will be had. There were also 74 tombstones which were at the Custer battlefield graves.

NORTHSIDE IN BRIEF

Mr. Leslie Kenney is confined at his home on Caledonia street with a gripe.

Mrs. F. C. Lampman will entertain her Sunday school class this evening at her home on Rose street. Supper will be served at 7 o'clock.

Messrs. Carl and Elmer Hough left for a few days' visit with friends and relatives at New Albin. They intend to look over land and if prospects are good they will buy.

Andrew Hauckinson of Milwaukee is visiting at the home of Mr. Olaf Olson of the Nelson Clothing company for a few days.

Miss Rose Rohr of Sumner street has accepted a position at the Voter-Berger Telephone company.

Miss Lula Shackley of Mill street leaves today for a trip through the west.

Miss O. Granke of Rose street entertained the Ladies' Sewing society of the German Lutheran church Wednesday afternoon at her home.

Mrs. J. D. Morehouse of Portage is spending a few days' visit on the North side at the home of Mr. and Mrs. A. F. Rathbourne of Rose street.

Occasionally the world loves a lover, but more often it sympathizes with him.

Miss Sophie Vagland of Victoria is visiting at the home of Mrs. C. A. Button of Charles street.

The Ladies' Aid society will meet at the home of Mrs. Frank Pierce on George street Thursday afternoon.

Mr. Elmer Yehle and J. E. Langdon left for a few days' hunting trip in the northern part of the state.

Mrs. Charles Rossow was pleasantly surprised at her home at 312 Rose street by a number of her friends, who presented her with a beautiful cut glass water set. The evening was spent with a musical program and refreshments were served.

Messrs. Leonard and Herbert Waite have returned from Austin, Minn., where they have been laying sewer for the city.

It is fortunate for baldheads that the skull still hides what is going on in the brains.

Weak Heart Action

There are certain nerves that control the action of the heart. When they become weak, the heart action is impaired. Short breath, pain around heart, choking sensation, palpitation, fluttering, feeble or rapid pulse, and other distressing symptoms follow. Dr. Miles Heart Cure is a medicine especially adapted to the needs of these nerves and the muscular structure of the heart itself. It is a strengthening tonic that brings speedy relief. Try it.

"For years I suffered with what I thought was stomach trouble, when the doctors told me I had heart trouble. I had tried many remedies, when the Dr. Miles' almanac came into my hands, and I concluded to try Dr. Miles' Heart Cure. I have taken three bottles, and now I am not suffering at all. I am cured and this medicine did it. I write this in the hope that it will attract the attention of others who suffer as I did."

MRS. D. BARRON, 204 Main St., Covington, Ky.

Your druggist sells Dr. Miles' Heart Cure, and we authorize him to return price of first bottle (only) if it fails to benefit you.
Miles Medical Co., Elkhart, Ind.

ENGINE CREW HAS A NARROW ESCAPE

CREW IN CHARGE OF J. SCHWEIGERT NEAR DEATH

MAIN ROD ON ENGINE SNAPS

Had Train Been Going Faster Engine Would Have Overturned, Killing the Occupants

The engine crew on switch engine No. 1118 in charge of J. Schweigert had a very narrow escape from death this morning.

The engine was backing with ten cars of wheat for Listman's mills, and fortunately they were backing slow. Suddenly there was a loud report as if something broke, the engineer got down from his engine and looked for the trouble, and found that the left main pin had broken close to the hub of the wheel and in the short distance they went, after the report, the ground had been plowed up and ties broken by the hanging rod. As a result of this break both the back and forward cylinder heads were broken. If the accident had happened while the train was going at a moderate speed it would have turned the engine bottom side up and meant certain death to the engine crew. Machinists were called and disconnected the engine, and it was moved to the roundhouse.

Time-tried, merit proven, wondrously healing Satin skin cream is a standard article.

Foley's Honey and Tar clears the air passages, stops the irritation in the throat, soothes the inflamed membranes, and the most obstinate cough disappears. Sore and inflamed lungs are healed and strengthened and the cold is expelled from the system. Refuse any but the genuine in the yellow package. O. T. Erhart.

BALDWIN HELD ON SERIOUS CHARGE

Upon evidence introduced in county court yesterday Henry Baldwin, who was recently arrested charged with running a disorderly house and selling liquor on Sunday, was bound over to the circuit court charged with keeping an assignation house.

The evidence introduced by the state was strong. Three girls were called to the stand and the nature of their testimony was shocking, unprintable. It carried to those present the conviction that the character of the place was such as to meet with the decided disapproval of the clean saloonists, and should the charges made be sustained, the offense would be sufficient to entail a long prison sentence. The case will be vigorously prosecuted.

Bail was fixed at \$1,000 and this was furnished late yesterday afternoon.

OESCHGER'S LIQUOR HOUSE OESTRYED

Word received here today announces the burning of the wholesale liquor and cigar company owned by John Oeschger, formerly of this city, at East Grand Forks, North Dakota. The telegram which was received by Herman Langstadt, father-in-law of Mr. Oeschger, gives none of the details, merely stating that everything had been destroyed.

Mr. Oeschger was up to a year ago when he left La Crosse, traveling auditor for the John Gund Brewing company. He resided at 1623 Ferry street.

A DIPLOMAT IN AN AWFUL FUSS

Chancellor Von Buelow, who Has Brought Popular Wrath of Germany Against Him and Who May Resign at Any Moment.

BERLIN, Nov. 10.—Chancellor Von Buelow is engulfed in the popular wrath of Germany on account of his lack of official care in censuring the emperor's message. Von Buelow claims that this matter came to him in such a manner that he paid little attention to it and left it to his subordinates. They, in turn, left it to others until, through lack of proper investigation the interview was published just as it was written.

So much criticism has this brought about that it has led to a demand by the press and radicals for a ministerial responsibility to parliament and the people instead of the continuance of ministerial responsibility to the crown alone.

Copyright, 1908. The House of Kuppenheimer, Chicago.

Overcoat Thoughts

BECAUSE a coat is big and warm and roomy is no reason that it should not fit. Men sometimes think that when they get a winter overcoat that envelops them, they are properly fitted. Not always. The drape of an overcoat should follow proper lines; shoulders must be perfect; the collar snug fitting; sleeves exactly the proper length; and all through the style must be just right.

That's the kind of overcoats we sell — Kuppenheimer Coats. You know what that name means.

They do more than keep you warm; they keep you in the height of fashion.

Two very fashionable overcoats are illustrated above — the Full Box (back-view) with its loose, roomy, perfect fitting qualities, and the Beacon Special, a "button-through" coat of extremely good form.

CURED OF BLINDNESS
NEW YORK, Nov. 10.—Cured of blindness, he says, by Christian Science, H. Chandler Christy, the artist, became a member of Mrs. Ed- dy's cult. He is a probationer in the faith, but will soon be admitted to full membership. Christy said: "Last March I was almost blind, had not drawn a line and could hardly read. My wife is a Christian Scientist, and suggested that a praction- er should give me treatment. I consented and in 20 minutes I could see better. In three weeks I was entirely well."

Now Truly, When You're Hot and Tired

is there anything that so quenches your thirst—gives you new life and energy—brightens and refreshes you—as a delicious cool bottle of that good new beer—

ELFENBRAU

It's the best all year 'round beverage you could drink. People who have ELFENBRAU in their homes enjoy it best—there's a reason, it's the one best beer.

JOBBER ELECT
THEIR OFFICERS

A meeting of the directors of the Manufacturers and Jobbers' Union was held at the La Crosse club yesterday afternoon and the officers for the ensuing year were elected. President, J. W. Bryant; vice president, H. J. Hirschheimer; secretary, R. Calvert; treasurer, W. F. Funk.

The proposition of the railway agents to close the freight houses at 5 o'clock was not brought up as W. L. Colburn of the Northwestern was unable to attend. A full attendance is desired before this matter is decided.

The man who dreads being disappointed in love should be careful not to fall in.

NOTICE!

As the free sampling of Gray's Yerba Santa Cough Cure has now ceased and everybody had a chance to try this marvelous cough and cold cure, I would say that you risk nothing in purchasing a 50c or \$1.00 bottle of it.

You may then use one half of the bottle, and on your claim, that it had no effect on your cough or cold, you will receive your money back on presentation of the half bottle left.

I can afford to do this, knowing the astonishing curative power of this marvelous cough cure, Gray's Yerba Santa.

The \$1.00 family size contains about three 50 cent bottles.
CHAS. BEYSLAG,
Druggist, 503 Main St.

CITY NEWS

LEGISLATIVE EXAMS TO BE HELD—Word has been received by Assemblyman-elect McConnell that the examinations for the legislative positions will be held at the city hall Dec. 5.

CANDIDATES TO FILE EXPENSES—The local candidates will soon file the amount of their expenses. The law requires them to be filed at the County Clerk's or Register of Deeds office by 30 days after election.

HUGO SCHICK RETURNS—Hugo Schick has returned from his trip abroad where he visited relatives in Austria. Mr. Schick has been gone over four months and during his stay in Europe he has gathered material with which he expects to write a book on foreign architecture as compared with American architecture.

HAS BAD FALL—Ed Homer slipped and fell down stairs while going to his rooms Sunday. He cut a deep gash in his forehead and nose. His wounds were dressed by a physician and he is resting easily.

SHAW STILL IN
CITY EXHIBITING

Lew Shaw, the billiard and pool expert, is still in the city and will play at Freas & Dumke's billiard parlors this afternoon and evening. Mr. Shaw will play 100 or no count at billiards and 15 balls or no count at pool with the best players in the city.

THANKS FRIENDS
FOR THEIR HELP

To my many friends who so kindly assisted me in the recent Tribune Pony Contest:

I take this method of thanking each and every one of you for your kindness and endeavors in my behalf.

I was, of course, disappointed at not winning, but I assure you that your many favors are just as fully appreciated. Again thanking you, I am

Yours very truly,
PAUL BARTON,
Houston, Minn.

CARD OF THANKS

We, the undersigned, wish to express our sincere thanks to all friends and neighbors for the kindness and sympathy shown during the illness and death of our beloved mother.

MR. B. BUMMERT.
MRS. B. BUMMERT.

Winter blasts, causing pneumonia, pleurisy and consumption will soon be here. Cure your cough now, and strengthen your lungs with Foley's Honey and Tar. Do not risk starting the winter with weak lungs, when Foley's Honey and Tar will cure the most obstinate coughs and colds, and prevent serious results. O. T. Erhart.

It wouldn't be so bad if your sins would not tell on you after finding you out.

La France
SHOE for WOMEN

If you will come in and ask to try on La France shoes yours will be an unusual case if you don't make some flattering exclamation as to their comfort as soon as you feel them on your feet.

Then you will realize that never before have you tried on a shoe which made your feet look so shapely, neat and dainty. And if you buy the shoes—as we believe you will when you see them—you will in the course of time discover that these qualities of comfort and fit stay with the shoe as long as it lasts, and that it lasts longer than any shoe you ever bought for the money.

There are reasons for this—good reasons—materials, careful workmanship, patient attention to those little details which alone can make a shoe both beautiful to look at and comfortable to wear. But the shoes themselves speak louder than anything we can say in our advertising—come and see them.

Perhaps the La France Flexible Welt shoe will particularly interest you. It permits a remarkable flexibility in the sole of the shoe which makes it wonderfully comfortable, especially when standing or walking.

J. S. ARENZ & CO.

323 Pearl St. La Crosse, Wis.

\$300 and \$400

Try This for a Severe
Cough

Take a pint of Granulated Sugar, add ½ cup of water, stir and let boil just a moment. Put 2 ½ oz. of Pinex in a pint bottle and fill it up with the Granulated Sugar Syrup. Shake well and take a teaspoonful every one, two or three hours.

The prompt results from this simple, home-made remedy will surprise you. It has been known to conquer a deep-seated cough in 24 hours. It is also an excellent thing for whooping cough, soreness of the lungs, bronchial troubles and other throat affections.

The proportion above suggested is enough to last a family a long time. It is equally effective for young or old, and has a very pleasant taste. Well corked, it never spoils. It takes less than five minutes to prepare, and is very inexpensive. The 2 ½ oz. of Pinex should cost you about fifty cents, and the Granulated Sugar about four cents.

Pinex, as you probably know is the most valuable concentrated compound of Norway White Pine Extract. It is rich in gualacal and other elements that make the ozone of the pine forests so effective in curing throat and lung diseases.

There are many pine tar and pine oil preparations, but none of these are to be compared with the real Pinex itself. All druggists have it or can get it for you without trouble if requested.

SOCIETY

ORGAN RECITAL TONIGHT.

Tonight at First Congregational church an organ recital will be given by Prof. Harry Packman, assisted by Miss Estelle Solon, soprano, and Mr. Jacob Reuter, violinist. Following is the program:

Prelude and Fugue in G major and minor J. S. Bach
Violin Solo, Benedictus McKenzie M. Reuter.

Chanson D'ete,
The Angelus,
Pastorale in G E. H. Lamare
Aria, "O, had I Jubal's Lyre" Handel
Miss Solon.

Prelude to "Parsifal" (by request) Wagner
Violin Solo, Idylle from Suite in G Hubay
Mr. Reuter.

Two numbers from Peer Gynt:
Morgenstimmung,
Ase's Tod Greig
Vocal, "Ave Maria" on Bach's first prelude Gounod

Obligatos by Mrs. Cilley, piano;
Mr. Reuter, violin; Mr. Packman, organ.

Miss Solon.

Humoresque (by request) Dvorak
Prelude in D flat (new) Goodhart

This is the first of a series of organ recitals to be given this season, when it is the intention to give from time to time selections from the standard organ work and organ arrangements of standard orchestral works from the great composers.

The recitals will begin promptly at 8 o'clock and the doors will be closed during the performance of each composition.

LEAVE FOR CAPITAL

Miss Walasha Witte of 1716 Farewell street, and Mr. Nash Cook of Washington, D. C., were married last Wednesday evening at 7:30 o'clock at the home of the bride's sister, Mrs. P. Iverson, Twenty-second and La Crosse streets, Hillview addition. County Judge Brindley performed the ceremony and the witnesses were Mrs. Augusta Witte, the bride's mother, and Mrs. Newcourt of Farewell street. The rooms were beautifully decorated with flowers.

The young couple stayed with Mrs. Iverson, the bride's sister, till Saturday noon, when they took the train for Washington, D. C., where they will make their future home.

MRS. HOLBROOK ENTERTAINS AT AN AFTERNOON COMPANY
Last Saturday afternoon Mrs. F. A. Holbrook entertained a number of ladies at a tea. The guests were Mesdames Wolcott, Gordon, Scofield, Alfred James, Charles Cone, L. C. Colman, George Burton, Arthur Farnam and H. L. West.

DINNERS FOR MISS MARY BARTL
Sunday the Misses Kate and Julia Haeckner entertained at a dinner of twelve covers in honor of Miss Mary Bartl and Mr. Henry Boehm, whose marriage will take place tomorrow. Covers were laid for twelve.

Tuesday evening the Misses Ida and Anna Boma gave a dinner of twelve covers at their home on South Thirteenth street for Miss Bartl and Mr. Boehm.

KITCHEN SHOWER.
Friday afternoon Miss Bertha Hickisch entertained in honor of Miss Bartl at a pre-nuptial shower, followed by a dinner. The guests were Miss Bartl, the Misses Ida and Anna Boma, the Misses Kate and Julia Haeckner, Mrs. Albert Gantert, Mrs. William Hickisch and Mrs. Jacobson of Minneapolis.

SOCIAL BRIEFS.
Mrs. L. C. Colman left last night for Chicago.

Dr. H. M. Cohn of La Farge has been in the city a few days visiting his parents. He accompanied a patient to the La Crosse hospital who was to undergo a surgical operation. He will return to La Farge today.

The Trilby club met last evening with Miss Lillian Dagendish. The next meeting will be with Miss Francksen.

Lots of animals multiply very rapidly, but the snake is the only adder.

There is not much difference in what you can stand and what you have to stand.

PERSONALS

FORD—The Car of Quality.
Mr. Arthur Tessman of Rio, Wis., spent Sunday and Monday at the home of his parents, Mr. and Mrs. Fred Tessman, 1519 Badger street, he returned to Rio on the noon train today.

Mrs. Neil Currie returned last evening from Minneapolis where she has been for the last few days.

Dr. George Powell, consulting physician and surgeon.

V. S. Keppel of Holmen is in La Crosse to attend the regular meeting of the county board of supervisors.

Attorney F. H. Hartwell, who has been transacting business in Milwaukee has returned to his home in this city.

Warm supper served at Norwegian Lutheran church Wednesday evening by Aid society.

Hack calls promptly attended to. Phone 179 Gateway City Trfr. Line.

Mr. Robert Stormont of La Crosse who has been engaged in business in Texarkana, Arkansas, the last year returned home Sunday morning for a three week's visit.

L. J. Killian, W. V. Kidder and C. W. Dow left on the 8 o'clock Northwestern this morning for Jackson county where they will join another party and spend a week or ten days deer hunting.

The best advertisement La France Shoes can have in La Crosse is the increasing number of discriminating women who buy them each season at J. S. Arenz. It is a great satisfaction to a woman who has become acquainted with the style, durability and fitting qualities of the La France to go where she is certain of the same satisfaction she has found in wearing these shoes previously. It is infinitely better than to buy an unknown make and regret it later.

Dr. Will Powell, diseases of women.

Dr. P. A. Wakefield of West Salem was in town yesterday in the interests of his candidacy for county physician.

Born to Mr. and Mrs. Ambrose Forseth, Monday at the Lutheran hospital, twin girls.

Mrs. Henry Stevens who has been visiting Mrs. J. H. Wells of Portage has returned home.

Skin and clothes require different soaps for cleansing. Jap Rose Soap is made for the Bath and Toilet. Years were required to perfect it. Kirk makes it. All dealers sell it.

A. A. Fessler has left for Milwaukee where he will take a course in embalming.

Alfred Mueller has returned from a short business trip to the Twin Cities.

Archie Larson is back from Hatfield where he has been employed on the construction of the power plant at the Hatfield dam.

Lawrence Kennedy who was taken to the St. Francis Hospital with diphtheria, is steadily improving.

J. Maland of Harmony is visiting friends in the city for a short stay.

Theodore Thompson of Westby is a business caller in town today.

Dagney Thompson is visiting with friends in the city for a few days.

E. Hawley of Lanesboro is a business visitor in town today.

F. J. Ruland of Mindoro is a business visitor in the city today.

H. J. Lee of Houston is calling on business acquaintances in the city this morning.

Annie Hawley of Lanesboro is visiting friends in town for a few days.

The chap who steals a woman's purse is apt to get a lot of trash.

A good-looking woman ought to make a successful detective.

Care Of A Broom.

There is a great deal of difference in the quality of work a broom will do and the length of time it will wear. One that is used every day should be washed once a week. Prepare a bucketful of suds by dissolving a tablespoonful of Gold Dust washing powder in hot water and dip the broom up and down in it until the straw look clean and new. Then rinse and hang up to dry. If a new broom is dipped in hot suds before it is used, the straw will be toughened and will not break so easily. Do not set the broom down in a corner after it is used, but have a hook in the handle and hang it up.

FERMENTATION AND UNDIGESTED FOOD

YOU CAN RID YOURSELF OF
STOMACH TROUBLE

MAKES YOU FEEL FINE

Your Druggist Has a Preparation
Called Diapepsin Which Cures You
Before You Realize It

Some people think they have Indigestion, others Catarrh of the Stomach, others Nervousness, Cancer or Dyspepsia, etc. Call it this if you will, but the real name for your trouble is Food Fermentation, with only partial digestion. Everything you eat turns to either Acid, Stomach gas or Stomach poison, which weakens the digestive organs, causing a lack of gastric juice. Your food sours, is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, burning sensation, a feeling of vomiting, heartburn, water brash and tenderness in the pit of the stomach, slimy tongue, bad taste in the mouth, constipation, nausea, belching of gas, dizziness, sick headaches, mental depression and many other common symptoms.

You can cure all this by not eating, by not putting any food in your stomach to ferment; but how about the nourishment needed to sustain your bodily strength? If you are a stomach sufferer, either man or woman, young or old, whether you call it Indigestion or any other name, go now to your druggist and give 50 cents for a case of Pape's Diapepsin.

Every possible kind of Stomach trouble is readily cured by Diapepsin, which takes right hold of the food in your stomach and digests it alone, without the help of the stomach, just as if your stomach wasn't there.

After a few days' use of Diapepsin your stomach will again be in good working order, your meals will thoroughly digest and your intestines will be clean and fresh, and you will have no use for laxatives or liver regulators.

If you suffer from constipation and liver trouble Foley's Orino Laxative will cure you permanently by stimulating the digestive organs so they will act naturally. Foley's Orino Laxative does not gripe, is pleasant to take and you do not have to take laxatives continually after taking Orino. Why continue to be the slave of pills and tablets. O. T. Erhart.

BOY AND GIRL MARRIED A YEAR

APPLETON, Wis., Nov. 10.—Chas. Voss and Emma Adam, aged 17 and 16 years respectively, announced to their parents that they had been married by Justice Jones in Menominee, Mich., on Sept. 9, 1907, and produced the marriage certificate.

The young people had kept their secret. Both had been in Milwaukee at the time, attending the state fair with their parents. They were permitted to return home together, and instead of stopping at Appleton continued to Menominee, where married and arrived home an hour before their parents came in on a later train from Milwaukee.

FIRE NEARLY WIPES OUT WIS. VILLAGE

FREDERIC, Wis., Nov. 10.—Fire started in the Frederic hotel and threatened to wipe out the town.

When brought under control the fire had destroyed about \$75,000 worth of property.

Among the buildings destroyed were Payne's hotel and saloon, the Frederic hotel, Luke's restaurant, Diamond Bros.' barber shop, Lunan & Taylor's market, Coddon's clothing store, Hedberg's grocery, Carlson's hardware store and Hubbard's saloon.

LAD KILLS HIS YOUNG BROTHER

IOLA, Wis., Nov. 10.—Thomas Hess, the 9 year old son of Charles Hess, was shot through the heart by his 13 year old brother, Milton Hess, who had been shooting at targets. When the gun failed to go off, he struck it with fatal result. The family reside in the town of Harrison, eight miles from this village.

WISCONSIN NEWS

SPARTA OFFICERS ARREST A SUSPECT

THOUGHT HE WAS THIEF, BUT IS
LATER RELEASED

CHECKER TOURNAMENT ON

Eleven Players Participate in 220
Game Tournament—Funeral of
Mrs. Bates

SPARTA, Nov. 10.—Ernest Beedle of Sparta was arrested in connection with the theft of \$100 from the trunk of two Beloit school teachers and was taken to Beloit by the authorities of that city after being closely questioned by the authorities here.

Officer Hubbard made the arrest as soon as Beedle returned from Beloit, where he went with Frank Beedle and Leo Berry. He was released, however, after the school teachers who were robbed failed to identify him as one of the two boys who stopped at the boarding house where they boarded. However, it is understood that young Beedle gave the authorities of Beloit a tangible clue to work on in their effort to locate the two missing boys who stole the money. It seems that Ernest Beedle did not stop at the same boarding place his brother and Berry did in Beloit, and was able to prove that he was entirely innocent of the crime charged.

Checker Tournament On. Sparta checker experts to the number of eleven are playing in a checker tournament in the tonsorial emporium of Van Antwerp and Brooks. The tournament is to consist of 220 games, each contestant playing 22 games, two with every other player. So far the play has been very interesting and some hotly contested games have been played. To date the standing of the players is as follows:

Name	W.	L.	D'n	Pct.
Ole Dordox	0	0	0	1.000
O. C. Peterson	0	0	0	1.000
D. C. Hope	6	2	0	.744
E. J. Brooks	9	4	1	.643
Edgar Dickson	3	2	1	.600
John Howard	5	5	5	.500
C. M. Van Antwerp	3	5	2	.375
Frank Leffingwell	4	5	0	.333
E. M. Perham	3	6	2	.333
L. H. Conger	2	4	0	.333
Chas. McGougal	1	3	0	.250

Funeral of Mrs. Bates. The body of Mrs. W. S. Bates who died in La Crosse Sunday, was brought to Sparta for burial today and the interment made in the West cemetery. Her husband, W. S. Bates, two sons, Wynne of La Crosse and Fred of Minneapolis, and her brother, Sanford B. Lowery of Avoca, Iowa, accompanied the body to Sparta. Mrs. Bates lived in Sparta and La Crosse nearly all her life and was the oldest daughter of Mrs. M. A. Andrews of this place. She was 63 years of age.

The trouble with some fellow is that they never have any sober second thoughts.

Hay's Hairina Soap cures Pimples, red, rough and chapped hands, and all skin diseases. Keeps skin fine and soft. 25c. druggists. Send 2c for free book "The Care of the Skin."

RATE COMMISSION HAS HARD QUESTION

SHOULD "GOING VALUE" BE AL-
LOWED IN RATE MAKING

MANY DIFFERENT DECISIONS

Various Courts Have Ruled Various
Ways, but it is Now the Work
of Commission to Decide

(By F. L. Holmes.)
MADISON, Wis., Nov. 10.—(Special.)—The most difficult problem that has come before the railroad rate commission, since the public utility companies of the state have been placed under its control, is whether in fixing a value as a basis for rate making a "going value" should be allowed. The courts of the nation have ruled in different ways upon the problem and it is for the commission to decide a policy, which thereafter it must apply to every utility in the state that is under its jurisdiction. The experts and trained engineers of the commission simply value the plant as to what it is worth today and what it would cost to reproduce such a plant anew.

No sooner was the valuation of the first plant ascertained and the question of determining a rate proposed, that the utility asked that it be allowed a value over and above the real value of the plant for "good will," and because it was a "going" concern already doing business.

The idea was first presented in the case of the State Journal Printing company vs. The Madison Gas & Electric company, asking for lower rates and better service. The commission's experts valued the plant at \$743,371 to which H. L. Butler, attorney for the company, contended \$250,000 additional should be allowed because it was a "going" concern and was worth more than a plant in a city of the same size that had no actual house connections. A month later the same question was raised in the Marinette telephone case and it has also been raised by the Antigo Water company and the Appleton water works. Here then are four different kinds of utilities, gas, electric, water and telephone, making this demand.

Lawyers from all sections of the state have been interested in this litigation and have filed briefs giving their ideas and citing cases on the theory of a "going" value. The question will be fully argued in the Appleton water works case early in December.

But this question before the commission has, assumed more than state importance. Lawyers of New York, Connecticut and other states have sent briefs to the commission bearing upon this question of "going value." It is the kernel of the public utility problem and the commission is spending all its time now rearing the mass of material that has been collected. When a conclusion has been reached upon this point all of the utility cases before the commission involving this question will be quickly settled.

It now seems probable that none of these cases will be settled until the first of the year, as the commission feels that it must be well fortified before a decision is announced. The courts of the country have so disagreed on the amount to be allowed a concern as "going" value, that the commission is in reality blazing the way and solving a much mooted question.

TAKES POISON AT THE DINNER TABLE

KENOSHA, Wis., Nov. 10.—A Sunday dinner crowd had a sensation in Kenosha when Mrs. Laura Wells, a widow, forty years of age, took strychnine in the dining room of the Central restaurant.

The woman, who was formerly well known in the city, had recently become a city charge, and the city officials took her three children from here and sent them to state institutions.

Declaring that she could not live without the little ones, the woman swallowed strychnine.

She is in a critical condition.

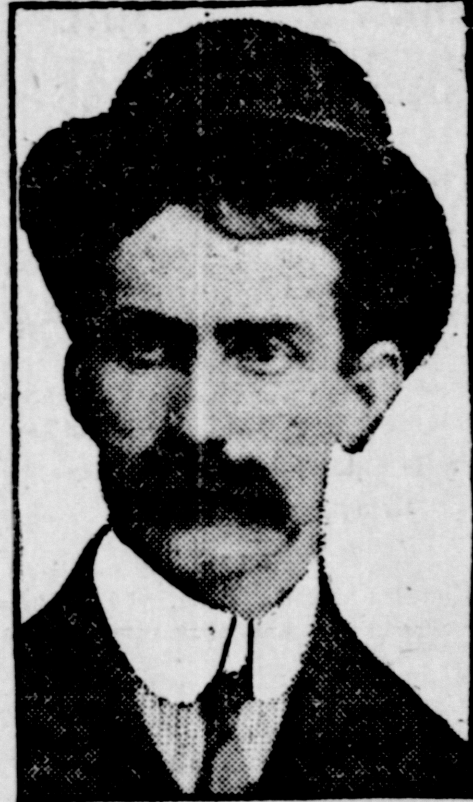

THANKSGIVING DAY SET BY GOVERNOR

MADISON, Wis., Nov. 10.—Gov. Davidson has issued the following proclamation designating Nov. 26 as Thanksgiving day:

"In harmony with a time honored custom and in conformity with the proclamation of the president of the United States, I, James O. Davidson, governor of the state of Wisconsin, do hereby designate Thursday, the twenty-sixth day of November, as a day for general thanksgiving and recommend that on that day all secular employment be laid aside and that the people assemble in their accustomed places of worship for special devotional exercises.

"As a people, we have much for which to be thankful. Our harvests are abundant and the general health of the people is good. The temporary depression in business which prevailed a year ago has passed and the future never was more promising than at the present hour. No other people are favored as are the citizens of this free country. In their abounding prosperity, they should not fail to acknowledge their deep obligations to the Great Creator of the universe, whose blessings have been so bountifully bestowed upon them."

JUMPS FROM FRONT OF TRAIN HEAD FIRST TO SAVE A CHILD

PALMER, Neb., Nov. 9.—The Carnegie hero commission has just awarded M. R. Lux of this city for his almost unprecedented bravery in saving the life of little 18-months-old Gladys Dixon. The story is best told in Mr. Lux's own words and is as follows:

"On September 26, 1907, I was firing on extra No. 632. As it approached the city of Seward, Neb., running about 35 miles an hour, we rounded a sharp curve and the engineer saw what he at first thought was a dog close to the track. On closer attention, however, he discovered it to be a small child lying with her little legs against the rail. He applied the air brakes and reversed the engine. On hearing the application of the brakes I stepped into the cab and looked out to see what was the matter. I took the situation in at a glance and sprang through the front window and ran along the running board on the side of the engine. As I stepped on the steam chest the little tot saw us and threw up both hands and fell forward, directly over the rail. I stepped out to the pilot, took a glance at her and sprang off head first, sliding over the rail. She was uninjured and did not cry until I had carried her to her mother, who was so frightened she could only say, 'Thank you.'"

STATE NEWS IN BRIEF

WAUKESHA.—John Smith, who shot and seriously wounded Sheriff George L. Dwinell, Mrs. Augusta Grabow and Olga Grabow at the Grabow home at Calhoun on the night of Sept. 18, was given a preliminary examination in the municipal court and bound over for trial under \$5,000 bail, which he was unable to furnish. His trial will begin Monday, Nov. 16.

MANITOWOC.—Orders have been issued by the postal department for the installation of a railway postoffice on the Green Bay extension of the Chicago & North-Western line, between this city and Gillett, and E. Gray of Milwaukee has been appointed to have charge of the office.

MADISON.—Secretary of State Frear spent \$610.85 for re-election, of which \$500 was a contribution to the state central committee. The remainder is railroad fare and hotel bills. State Treasurer Dahl spent \$534.95, of which \$500 was also contributed to the central committee.

MARKESAN.—While T. W. Miller and wife and Mr. and Mrs. Walter Steers were returning from an auto trip into the country, the machine in which they were driving turned turtle, plunging Mrs. Miller under the wreckage. She was not seriously injured.

HILES.—Joseph Akey, a former resident of Rudolph, was seriously injured in a sawmill here by the blowing out of a cylinder head. Mr. Akey had two ribs broken, one leg broken in two places and was severely cut.

VIROQUA.—A celebration over the election of Taft will probably cost Frank Smith of West Lima his life. Anvils were used for noise making and a piece of iron struck Mr. Smith in the abdomen.

MANITOWOC.—Society circles were surprised by the announcement of the marriage of City Clerk Arthur Reichert and Miss Elizabeth Seidl. The bride is a sister of Reichert's deceased wife.

NATIONAL BISCUIT COMPANY

WISH IS GRANTED BY PROVIDENCE

APPLETON, Wis., Nov. 10.—Five minutes after Anton Becher, aged 75 years, expressed a wish Providence answered it. "I'd about as leave die as to go to the county poorhouse to spend the remainder of my days," said Becher at the police station as the officers were getting the ambulance ready to remove him to the county institution.

Becher was slightly intoxicated and the officers put him in a rear room at the station while they made ready for the trip to the poorhouse. In the interim Becher died of heart failure.

"FIGHTING BOB" JOINS LECTURERS

APPLETON, Wis., Nov. 10.—Rear Admiral Robley D. Evans, who gained the name of "Fighting Bob" while acting as supervising architect during the construction of the Interlake Pulp and Paper company's plant in this city twenty years ago by arming his workmen when the Northwestern Railroad company objected to a trestle being constructed across its tracks, is to come to Appleton in January to give a lecture under the auspices of Co. G, Wisconsin National Guard. He will speak on "From Hampton Roads to San Francisco in Command of the Atlantic Fleet." Admiral Evans is to receive \$1,000 for the lecture.

The smile of a woman is not always what it appears to be on the surface.

Farmers, Attention

You are invited to visit the Burlington Route
Farm Products Exhibit Car

which will stand on C., B. & Q. R. R. side-track, near depot, at

La Crosse, November 20th and 21st

This car contains samples of fruits, grains, grasses, sugar beets, potatoes and other products grown on the new IRRIGATED LANDS along the Burlington Route in the Big Horn Basin, Yellowstone and North Platte Valleys where the Government and private irrigation companies are bringing under thousands of acres of new lands.

Water Supply.—In the Big Horn Basin, the water supply is sufficient to irrigate three times the acreage of land that it is possible to put under ditch. Water supply in the Yellowstone Valley and North Platte Valley is also abundant.

Come and bring your wives to see this car and let us tell you about these new irrigated lands. Information given and illustrated literature distributed free of charge.
